Hi Joseph,

After you click "Download Files" it does bring you to a page asking for an access key. There is a big orange button that says "Get Access Key" right above where it needs to be entered. This will generate the code you need.

The passcodes are unique to each user, so unfortunately I will not be able to provide one for you.

Thanks,  
Alex

Alex,

It is asking for an access code, which I do not think I have?  
Thanks.
